Technical: Python, Java, C++, Kotlin, PHP, MySQL, GitHub, VS Code, Android Studio, troubleshooting, task automation

Soft Skills: Clear communication, time management, attention to detail, multitasking, adaptability, teamwork

WORK EXPERIENCE

Customer Service Representative — **May 2026 – Present**
Gatestone & Co. International

- Handle a high daily volume of inbound and outbound calls, resolving account concerns in line with compliance guidelines, with a latest QA score of 85%.
- Process contract renewals by explaining terms clearly, answering questions, and guiding customers through each step to completion.
- Negotiate payment arrangements and handle collections, balancing customer needs with company targets.
- Document every interaction accurately in the CRM, keeping account records up to date for follow-ups and reporting.
- Stay calm and empathetic with frustrated customers to de-escalate issues and retain accounts.

Service Crew — **April 2025 – May 2026**
Golden Arches Development Corporation (McDonald's Philippines)

- Rotated across multiple stations (cashier, drive-thru operator, server, and presenter/runner) based on store needs.
- Handled cash and cashless transactions accurately and took drive-thru orders quickly under strict speed-of-service targets.
- Delivered friendly, consistent customer service and resolved order concerns on the spot during peak hours.
- Worked closely with the team to keep operations smooth, clean, and on time in a fast-paced environment.

EDUCATION

Far Eastern University – Alabang — **2023 – Present**
Bachelor of Science in Computer Science, Specialization in Software Engineering (currently enrolled)

St. Andrew's School — **2021 – 2023**
Senior High School – Science, Technology, Engineering, and Mathematics (STEM)
